Roman Kuhr

talks about

***NEW RECORDING KIT FOR PRESENTATIONS & EVENTS***  
***Hands-on Workshop***

How to produce a professional looking videorecording with a multi-camera setup + presentation or other additions.

Useful settings:

- presentations in the lecture hall
- recording of the Schauvorlesung
- recording of the Physiktag or similar
- recording in a laboratory

*Join the workshop on 24.06.2025, Tuesday, in Lecture Hall 1 at 13:00-15:00*

*Workshop is given in German or English – depending on the attending participants.*

All interested parties are cordially invited!

Chair for Didactics of Physics  
PD Dr. Heidi Reinholz
